

Don't miss the Foundations for Water Work workshop

Taught by Lauren McDermott on March 12 and 13.

This land only training workshop will be held at Woof in San Ramon

Lauren is a water trial judge who has owned PWDs since 1993. She earned CWDX with three dogs and the other three (2WWDs plus a pup are still participating. Lauren is a member of several Portuguese Water Dog clubs, including PWDCNC. She has conducted many workshops around the country and also participates in agility, conformation, and obedience. She uses all positive reinforcement training. We are lucky to be able to host her in Northern California.

Lauren will focus on helping you get started with water work

- You will learn:**
- * How to develop a successful training plan
 - * How to build a positive training relationship with your dog
 - * What is required to be successful in PWDCA water trials.
 - * Other workshop topics may include:
 - equipment selection
 - structuring individual and group training sessions
 - strategies for day of trial
 - problem solving

Who will benefit?

- * This is a foundation skills workshop.
- * All levels are invited to attend

Working slots and auditing slots will be available. A limited number of working slots will be available to PWDs who can wait their turn in their crate and are comfortable working around other people and dogs.

Working slot **\$125** for two days (lunch included)

Audit **\$ 35** each day (lunch included)

See registration form for more details.
