

The PWDCNC Presents
Portuguese Water Dog Grooming Workshop
Sunday, May 2, 2010
8:30 am – 3 pm

This is a repeat of the Workshop given Feb 27th - if you could not attend the first Workshop you now have a second chance!

Sign up for a **working slot** with your dog and learn how to groom your dog so he/she will look like a Portuguese Water Dog. This is a hands-on workshop so you will be grooming your own dog!

Sign up for an **audit slot** and watch the other dogs being groomed. Learn how to educate your groomer as to what a Portuguese Water Dog should look like; get bathing, brushing and nail clipping tips; learn to trim your dog between groomings.

The Workshop will be given by Denise Gilbert, a PWDCNC member. Denise is not a professional groomer but has been grooming Portuguese Water Dogs in her spare time for the last 5 years.

The Workshop will cover pet retriever clips only – no lion cuts, no show cuts.

**The Workshop will be limited to EIGHT (8) Working Slots -
so please register early!**

You registration is not considered complete until your check has been received. Only those with working slots should bring their dog. Limit one dog per person. All working entrants should have grooming equipment (see registration form for equipment needed). If you do not have the necessary equipment, and cannot borrow it, we have 1-2 sets that can be used on a first-come first-served basis.
